

ARROWTOWN AUTUMN *Festival* Community Scholarship

Marigold Kunath

2021 Recipient

"I put the funds from this scholarship towards my hall fees. This has allowed me more freedom to focus on studying and getting socially involved so far, rather than trying to juggle a job as well which has been really beneficial and appreciated. I have made a great group of friends from my floor in my hall who I do everything with. They are even coming for a trip down in the mid-semester break so I will be able to show them all of the best things about Arrowtown. It has been awesome being able to live out the full uni experience of being in halls because of the funds from the scholarship enabling me. I am also loving my course so far, it has been really fun and I've had some really inspiring tutors and lectures and I'm really excited to see where this takes me in the future."

"Giving back to your community goes both ways. Be there for Arrowtown and they will be there for you. Support goes a long way and support goes both ways."

The Arrowtown Autumn Festival is an iconic community event run by volunteers. The Arrowtown Autumn Festival Community Scholarship aims to reward year 13 students who have made a significant contribution to our community and continuing onto further study.
