Community Scholarship

**Megan McCulloch**

2022 Recipient

"I am so grateful for the Arrows town Autumn Festival Community Scholarship. It has provided me with a boost in forming a future I thought I could have only ever dreamed of.

In the past, and as I am sure it will continue to do, this scholarship has given the opportunity to recognise a variety of students for their work within the community.

No one's work goes unnoticed - you never know who may be watching."

"The funds have contributed mostly towards my accommodation payment in Wellington, however some of it has gone towards my part-time dance programme that I am taking alongside university."

"This scholarship has lessened financial stress, allowing me to focus on my studies and have time to help out in the community more. I am so thankful for all the connections I have made, and continue to seek more ways of how I can give back to both my community at home and the community in my now second home."

*The Arrows town Autumn Festival is an iconic community event run by volunteers. The Arrows town Autumn Festival Community Scholarship aims to reward year 13 students who have made a significant contribution to our community and continuing onto further study.*
